Excess expenditure over the budget grant for the year 1901-02.

(Comptroller's letter no: $\frac{5158}{76}$ & $\frac{16}{18}$-3-03)

Note

In March 1902 the Dy Commr, Kolar District, reported that the amount of budget grant for 1901-02 under "Travelling allowance" had almost been spent by the end of February 1902, & requested for a further grant of Rs 2000 to meet the probable expenditure till the end of June 1902. He was asked to submit a reappropriation statement providing from other heads for the increased expenditure and reference. After a continued correspondence between this office and the offices of the Accomptroller and the Dy. Commr

~~Office of~~

Dy Comr, a revised Reappropriation Statement was received from the Dy. Comr which was forwarded to the Comptroller for para Verification. The Comptroller returns the Reappropriation statement and States that no reappropriation for 1901-02 need now be proposed as any sanctioned, the year having been closed (vide rule 30 part I Chapter II of the Financial rules, referred to in para 3 of Govt order (Copy post ufs.) No: M 1150-92/18-1901-02 dt 7.2.03.)

As per the Reappropriation Statement, the Amount of ~~Rs~~ 1701-9-7 has been spent by the Dy-Comr under different heads of the Budget in excess of the grants. The Comptroller does not say what should now be done of this excess expenditure.

Submitted for orders.

Manuscript Case, the Comptr

N.V.

the Comptr stated that the accounts for the year having been closed, the excess charge only remained to be sanctioned. The procedure should be followed in this case

Submitted.

In the case referred to by the Kanjur Head Sheristedar the re-appropriation statement sent to the comptroller was returned duly verified, and the excess expenditure was admitted to be met from the Savings under IV Land Revenue as proposed by him (Vide Comptroller's letter no. 3145/18 dt 17-12-02 & the order thereon).

In the present case the comptroller has not finally verified the re-appropriation Statement. May the figures furnished by the Dy Collr be adopted, and a draft put up as in the above case, making provision for the excess expenditure from the savings under Land Revenue, ?

Sir, I have the honor to state that in the Budget Estimate for 1901-1902, a sum of Rs 1350/- has been sanctioned under the heads Travelling Allowance to the Deputy Commissioner and that out of this Amount a sum of Rs 1305/- has been used up to the end of February 1902, leaving only Rs 145/- which is insufficient for the remaining portion of the year. Similar to the case in respect of the Amounts sanctioned to the Assistant Commissioners and to the Establishment of the Deputy Commissioner. Out of the sanctioned Amount of Rs 1500/- for the former, a sum of about Rs 1000/- has been spent and about the same Amount has been expended out of the sanctioned Amount of Rs 1060/- for the latter.
